Thank you for expressing interest in our 2026 Ironwork Schools.

Cost

Workshop Only: tuition, smokos and lunches, no accommodation: $600

OR

Whole Weekend: includes tuition, 2 nights accommodation, meals and drinks: $900

Your finished pieces are weighed out at an additional $10/kg which includes any balls, discs or scrolls you might use. *To give you an idea, a 4ft garden seat is about 27kg.*

What you need to know

Our schools are limited to 8 people. Beginners, those who have some welding experience or those who are experienced and need access to the workshop and steel to complete a large project are all welcome. Everyone leaves with something incredible!

When to arrive

Most of our guests arrive on Friday afternoon, after 2pm, and depart Sunday after lunch. We can provide accommodation on Sunday evening for an additional $150, including dinner, drinks and breakfast.

What to bring

Please bring long sleeved shirts, long trousers/jeans and boots.

We supply everything you need, but if you have some gear, please bring it along.

Things that would be handy

- Welding gloves, helmet, safety glasses, earplugs
- Reading glasses if you use them
- Grinders (mostly use grinding discs), cut off saws
- Any special steel you would like to incorporate into your piece
- Small portable welder, chipping hammer
- Inspiration, drawings, photographs, rough measurements for furniture if destined for specific places. But if you don't know what you want to make, a short walk around the garden at Moble should get your creativity going!

It is very achievable for a beginner to make a garden seat in a weekend. Do not underestimate what you will be able to create!
